Make a BIG difference with a monthly gift!

Over 30 years ago, the generosity of our local community brought our hospice to life. Today, our monthly givers bring together people from across our community to make their mark on our future.

Wakefield Hospice is here to care for people with life-limiting illness such as cancer, motor neurone disease and heart problems. We believe that the end of life deserves as much care and respect as any other time.

Your support is more than just a monthly donation to your local hospice. You are a community of dedicated Wakefield Hospice supporters, who make the best of every moment, every month, for everyone under our care.

We couldn't do what we do without the support of our amazing community

We want to continue to be here for families across the Wakefield district when they need us, when you need us, ensuring your loved ones receive the care, support and choices they deserve. We are not just Wakefield Hospice, we are Wakefield's hospice, and we are your hospice too.
