In Memoriam & In Lieu of Flower Donations

There are many ways that you can remember the life of someone by giving in a memory, whilst helping patients and their families receive care from Wakefield Hospice. Below are some frequently asked questions about making donations in lieu of flowers:

What are donations in lieu of flowers?
Some people prefer to have flowers at the funeral from immediate family only, so they work hard to avoid the need to send donations instead. This is called a memorial donation and is a meaningful alternative to sending flowers to mourners of friends or family.

What is the best way to ask for in memoriam donations?
If you would like to arrange in memoriam donations, your funeral director can advise you of the most suitable wording. It would usually be similar to the following:

Donations can be made to Wakefield Hospice, Aberford Road, Wakefield
WF1 4TS. Registered Charity No. 518392. www.wakefieldhospice.org

You can leave the envelope at reception or post it to the hospice.

How will I know who to thank for donations?
Every gift made in memoriam is acknowledged with a personal letter from the hospice. We are happy to share this letter of thanks with you, but do not give out your details due to the Data Protection Act. Your personal letter will be sent to the hospice address if possible. If you have included names and addresses, we can claim Gift Aid on donations made through funeral directors by including names and addresses.

How can we arrange for a collection at the funeral service?
Wakefield Hospice in memoriam envelopes can be made available at the funeral service. If you would like to provide envelopes for collection, please contact your funeral directors or the Hospice’s Fundraising Department directly on 01924 213900.
Thank you for choosing to donate to Wakefield Hospice.

Wakefield Hospice Bereavement & Aftercare

The Wakefield Hospice philosophy of care is based upon the simple idea that a dying person is a living person, someone who deserves peace and calm until the end of their life. We seek to add life to days, even when days cannot be added to life. We ensure the concerns and grief of family and friends are met both before and after a patient dies.

The care we provide to patients is free of charge, therefore we rely heavily on fundraising initiatives and the generosity of the local community to meet the yearly running costs.

Remember a loved one through a gift ‘In Memory’ or with a collection ‘In Lieu of Flowers’.

Gifts such as these will help us offer and maintain the free care we provide for patients and their relatives at such difficult times in their lives.
